

OTTAWA 2017 POSTCARD CONTEST

Canada's 150th is just around the corner and Ottawa is gearing up to host our country's biggest year of celebrations EVER!

We need your help to create **FUN** and **CREATIVE** postcards to help us spread the word about why Ottawa will be the "it" place in 2017 and invite all Canadians to come and join the party in the nation's capital!

WHAT: Students from grades 1-12 are invited to put their artistic talents to work by creating a drawing or graphic illustrating the best that Ottawa has to offer, and why everyone **NEEDS** to be here to be a part of this historic celebration.

HOW: A selection panel of Ottawa artists will be assembled at City Hall to choose one winner from each grade.

WHEN: Schools have until May 21 at noon to submit their winning designs to their board office.

PRIZE: The 12 winning students, along with their classmates, will be invited to a pizza party at City Hall with the Mayor and City Councillors. The 12 winning designs will appear on thousands of print and digital postcards to be sent out across the nation!
